**Indoor climbing!**

by Christine Hudson, aged 12

This is a picture of me with my family. My dad's on the right. I'm next to him, and my little sister Anna is between me and my mum. We're doing what we do nearly every Saturday – indoor climbing!

Indoor climbing is great! I love it! As you can see, there are coloured things on the wall that you can hold onto, and put your feet on, as you climb. The first time I went indoor climbing was about six months ago. I thought it was very difficult! But I quickly learned what to do, and now I'm quite good at it. One day in the future, I want to go rock-climbing outside on a mountain. Climbing is amazing!
