My favourite sport: Ice skating

by Sophia Karanastasi, aged 12

Have you ever been ice skating? It's a great sport, and lots of fun! I started ice skating two years ago, when an ice rink opened in my town.

When I started, I didn't find it easy. I went very slowly and I often fell down! Luckily, I didn't hurt myself – and I never thought it was boring! Each time I went to the rink, I got a little better. I skated faster and faster, and didn't fall over so much. Soon, I was a good skater.

I sometimes go ice skating with my friends, and sometimes I go with my family. In the photo, you can see my mum and my little brother, Theo. They love ice skating too!

Skates are the special shoes you wear when you go ice skating. I haven't got my own skates yet, but I hope my parents will give me some skates for Christmas!
